**\*\* UNIFORM ALLOWANCE \*\***

If employees are required to wear uniforms in the performance of this  
contract  
(either by the terms of the Government contract, by the employer, by the  
state or  
local law, etc.), the cost of furnishing such uniforms and maintaining  
(by  
laundering or dry cleaning) such uniforms is an expense that may not be  
borne by an  
employee where such cost reduces the hourly rate below that required by  
the wage  
determination. The Department of Labor will accept payment in accordance  
with the  
following standards as compliance:

The contractor or subcontractor is required to furnish all employees  
with an  
adequate number of uniforms without cost or to reimburse employees for  
the actual  
cost of the uniforms. In addition, where uniform cleaning and  
maintenance is made  
the responsibility of the employee, all contractors and subcontractors  
subject to  
this wage determination shall (in the absence of a bona fide collective  
bargaining  
agreement providing for a different amount, or the furnishing of

contrary  
affirmative proof as to the actual cost), reimburse all employees for  
such cleaning  
and maintenance at a rate of \$3.35 per week (or \$.67 cents per day).  
However, in  
those instances where the uniforms furnished are made of "wash and wear"  
materials, may be routinely washed and dried with other personal  
garments, and do  
not require any special treatment such as dry cleaning, daily washing,  
or commercial  
laundering in order to meet the cleanliness or appearance standards set  
by the terms  
of the Government contract, by the contractor, by law, or by the nature  
of the work,  
there is no requirement that employees be reimbursed for uniform  
maintenance costs.

The duties of employees under job titles listed are those described in  
the  
"Service Contract Act Directory of Occupations", Fifth Edition, April  
2006,  
unless otherwise indicated. Copies of the Directory are available on the  
Internet. A  
links to the Directory may be found on the WHD home page at  
<http://www.dol.gov/esa/whd/> or through the Wage Determinations On-Line  
(WDOL) Web  
site at <http://wdol.gov/>.

REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE  
{Standard Form  
1444 (SF 1444)}

#### Conformance Process:

The contracting officer shall require that any class of service employee  
which is  
not listed herein and which is to be employed under the contract (i.e.,  
the work to  
be performed is not performed by any classification listed in the wage  
determination), be classified by the contractor so as to provide a  
reasonable  
relationship (i.e., appropriate level of skill comparison) between such  
unlisted  
classifications and the classifications listed in the wage  
determination. Such  
conformed classes of employees shall be paid the monetary wages and  
furnished the  
fringe benefits as are determined. Such conforming process shall be  
initiated by  
the contractor prior to the performance of contract work by such  
unlisted class(es)  
of employees. The conformed classification, wage rate, and/or fringe  
benefits shall  
be retroactive to the commencement date of the contract. {See Section

4.6 (C)(vi)}

When multiple wage determinations are included in a contract, a separate SF 1444

should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

1) When preparing the bid, the contractor identifies the need for a conformed occupation) and computes a proposed rate).

2) After contract award, the contractor prepares a written report listing in order proposed classification title), a Federal grade equivalency (FGE) for each proposed classification), job description), and rationale for proposed wage rate), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.

3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the employees, to the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, for review. (See section 4.6(b)(2) of Regulations 29 CFR Part 4).

4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.

5) The contracting officer transmits the Wage and Hour decision to the contractor.

6) The contractor informs the affected employees.

Information required by the Regulations must be submitted on SF 1444 or bond paper.

When preparing a conformance request, the "Service Contract Act Directory of Occupations" (the Directory) should be used to compare job definitions to insure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination.

- 1103.7 The contractor agrees to permit access to all books, records, and accounts, pertaining to its employment practices, by the Director and the Contracting Agency for purposes of investigation to ascertain compliance with this chapter, and to require under terms of any subcontractor agreement each subcontractor to permit access of such subcontractors, books, records, and accounts for such purposes.
- 1103.8 The contractor agrees to comply with the provisions of this chapter and with all guidelines for equal employment opportunity applicable in the District of Columbia adopted by the Director, or any authorized official.
- 1103.9 The prime contractor shall include in every subcontract the equal opportunity clauses, subsections 1103.2 through 1103.10 of this section, so that such provisions shall be binding upon each subcontractor or vendor.
- 1103.10 The prime contractor shall take such action with respect to any subcontractor as the Contracting Officer may direct as a means of enforcing these provisions, including sanctions for non-compliance; provided, however, that in the event the prime contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the prime contractor may request the District to enter into such litigation to protect the interest of the District.

- 1104.3 To ensure equal opportunity each Affirmative Action Program shall include the following commitments:
- (a) With respect to construction contracts, each contractor shall certify that it will comply with the provisions of this chapter, and submit a personnel utilization schedule for all the trades the contractor is to utilize, indicating the actual numbers of minority and female workers that are expected to be a part of the workforce performing under the contract; and
  - (b) With respect to non-construction contracts, each contractor shall certify that it will comply with the provisions of this chapter, and shall submit a personnel utilization schedule indicating by craft and skill, the minority composition of the workforce related to the performance of the work under the contract. The schedule shall include all workers located in the facility from which the goods and services are produced and shall include the same information for other facilities which have a significant relationship to the performance of work under the contract.
- 1104.4 If the experience of the contractor with any local union from which it will secure employees indicates that the union will not refer sufficient minorities or women to meet minority or female employment commitments, the contractor shall, not less than ten (10) days prior to the employment of any person on the project subject to the jurisdiction of that local union, do the following:
- (a) Notify the District of Columbia Department of Employment Services and at least two (2) minority and two (2) female referral organizations of the contractor's personnel needs, and request referral of minority and female workers; and
  - (b) Notify any minority and female workers who have been listed with the contractors as awaiting vacancies.
- 1104.5 If, within five (5) working days prior to commencement of work, the contractor determines that the Department of Employment Services or the minority or female referral organizations are unable to refer sufficient minorities or women to meet its commitments, the contractor may take steps to hire, by referral or otherwise, from the local union membership to fill the remaining job openings, provided that it notifies the local union of its personnel needs and of its employment commitments. Evidence of the notification shall be provided to the Contracting Agency.
- 1104.6 The contractor shall have standing requests for additional referrals of minority and female workers with the local union, the Department of Employment Services, and the other referral sources, until such time as the contractor has met its minority and female employment commitments.
- 1104.7 If the contractor desires to lay off some of its employees in a given trade on a construction site, it shall ensure that the required number of minority and female employees remain on the site to meet the minority and female commitments.
- 1104.8 No contractor shall refuse employment to any individual who has minimal facility to speak English except where the contractor can demonstrate that the facility to speak English is necessary for the performance of the job.

- 1104.9 No union with which the contractor has a collective bargaining agreement shall refuse to refer minority and female employees to such contractor.
- 1104.10 To the extent that contractors have delegated the responsibility for some of their employment practices to some other organization or agency which prevents them from meeting their equal opportunity obligations, those contractors shall not be considered to be in compliance with this chapter.
- 1104.11 The obligations of the contractor shall not be reduced, modified, or subject to any provision in any collective bargaining agreement with labor organization which provides that the labor organizations shall have the exclusive or primary opportunity to refer employees.
- 1104.12 When any contractor employs a minority person or woman in order to comply with this chapter, those persons shall be advised of their right to seek union membership, the contractor shall provide whatever assistance may be appropriate to enable that person to obtain membership, and the contractor shall notify the appropriate union of that person's employment.
- 1104.13 The contractor shall not discharge, refuse to employ, or otherwise adversely affect any minority person or woman because of any provision in any collective bargaining agreement, or any understanding, written or oral that the contractor may have with any labor organization.
- 1104.14 If at any time, because of lack of cooperation or overt conduct, a labor organization impedes or interferes with the contractor's Affirmative Action Program, the contractor shall notify the Contracting Agency and the Director immediately, setting forth the relevant circumstances.
- 1104.15 In any proceeding involving a disagreement between a labor organization and the contractor over the implementation of the contractor's Affirmative Action Program, the Contracting Agency and the Office of Human Rights may become a party to the proceeding.
- 1104.16 In determining whether or not a contractor is utilizing minorities and females pursuant to Section 1108, consideration shall be given to the following factors:

  - (b) The proportion of minorities and women employed in the crafts or as operatives in non-construction industries within the District of Columbia;
  - (c) The number and ratio of unemployed minorities and women to total unemployment in the District of Columbia;
  - (d) The availability of qualified and qualifiable minorities and women for employment in any comparable line of work, including where they are now working and how they may be brought into the contractor's workforce;
  - (e) The effectiveness of existing training programs in the area, including the number who complete training, the length and extent of training, employer experience with trainees, and the need for additional or expanded training programs; and
  - (f) The number of additional workers that could be absorbed into each trade or line of work without displacing present employees, including consideration of present employee shortages, projected growth of the trade or line of work, and projected employee turnover.
- 1104.17 The contractor's commitment to specific standards for the utilization of minorities and females as required under this chapter shall include a commitment to make every good faith effort to meet

those standards. If the contractor has failed to meet the standards, a determination of “good faith” shall be based upon the contractor’s documented equal opportunity efforts to broaden its equal employment program which shall include, but may not necessarily be limited to, the following requirements:

- (a) The contractor shall notify the community organizations that the contractor has employment opportunities available and shall maintain records of the organizations’ responses;
- (b) The contractor shall maintain a file of the names and addresses of each minority and female worker referred to it and what action was taken with respect to each referred worker. If that worker was not sent to the union hiring hall for referral or if the worker was not employed by the contractor, the contractor’s file shall be documented and the reasons therefore;
- (c) The contractor shall notify the Contracting Agency and the Director when the union or unions with which the contractor has a collective bargaining agreement has not referred to the contractor a minority or female worker originally sent to the union by the contractor for union registration, or the contractor has other information that the union referral process has impeded the contractor’s efforts to meet its goals;
- (d) The contractor shall participate in training programs related to its personnel needs;
- (e) The contractor shall disseminate its EEO policy internally by doing the following:
  - (1) Including it in any organizational manual;
  - (2) Publicizing it in company newspapers, annual report, etc.;
  - (3) Conducting staff, employee, and union representatives meetings to explain and discuss the policy;
  - (4) Posting; and

- (f) The contractor shall disseminate its EEO policy externally by doing the following:
  - (1) Informing and discussing it with all recruitment sources;
  - (2) Advertising in news media, specifically including news media directed to minorities and women;
  - (3) Notifying and discussing it with all known minority and women’s organizations; and

- 1116.2 If the contractor meets its goals or if the contractor can demonstrate that it has made every good faith effort to meet those goals, the contractor will be presumed to be in compliance with this chapter, and no formal sanction shall be instituted unless the Director otherwise determines that the contractor is not providing equal employment opportunity.
- 1116.3 When the Director proceeds with a formal hearing she or he has the burden of proving that the contractor has not met the requirements of this chapter, but the contractor's failure to meet its goals shall shift to it the requirement to come forward with evidence to show that it has met the good faith requirements of this chapter.

The contractor in question shall also be afforded the opportunity for a hearing before the Director.

1118.3 The Director may hold a hearing on any complaint or violation under this chapter, and make determinations based on the facts brought before the hearing.

## **COST/PRICE DATA REQUIREMENTS**

### **1. GENERAL INFORMATION:**

- 1.1 Offerors submitting cost/price proposals, in response to a District Request For Proposal (RFP), sole source procurement, change order, or contract modification exceeding \$500,000 in total value, must include a complete cost and pricing data breakdown (i.e., data that is verifiable and factual) for all costs identified in the proposal, and relevant to the performance of the contract. The requirement for submission of cost or pricing data is met when all accurate cost or pricing data reasonably available to the Offeror has been submitted, either actually, or by specific identification, to the District. If not available at the time of submission, as later information comes into the Offeror's possession, it should be promptly submitted to the District in a manner that clearly demonstrates its relationship to, and effect on, the Offeror's cost/price proposal. This requirement continues up to the date of final agreement on price and/or other issues, as agreed upon between the parties.
- 1.2 There is a clear distinction between submitting cost or pricing data and merely making available books, records and other documents without identification or context. By submitting a cost/price proposal, the Offeror, if selected for negotiation, grants the Contracting Officer, or an authorized representative, the right to examine, at any time before award, those books, records, documents, and other types of factual information, regardless of form or whether such supporting information is specifically referenced or included in the proposal as a basis for pricing, that will permit an adequate evaluation of the proposed cost/price.
- 1.3 The cost/price proposal will represent the offeror's understanding of the RFP's requirements and the offeror's ability to organize and perform those requirements effectively and efficiently. The evaluation of the Offeror's cost/price proposal will be based on an analysis of the realism and completeness of the cost data, the conformity of the cost to the offeror's technical data and the proposed allocation of labor-hours and skill sets. Pertinent cost information, including but not limited to Defense Contract Auditing Agency (DCAA) and/or the Department of Labor (DOL) recommended rates for direct labor, overhead, general and administrative expense (G&A), etc., as necessary and appropriate, must be used to arrive at the most probable cost to be incurred by the Offeror. If the District considers the proposed costs to be unrealistic, the Offeror should adjust its proposed costs accordingly. Any inconsistency, whether real or apparent, between promised performance and cost or price should be explained in the cost/price proposal. The burden of proof for cost credibility rests with the Offeror.
- 1.4 The Offeror must submit its cost/price proposal in hard copy as well as on a diskette, which is in a format (i.e. MS Office, Lotus 1-2-3, etc.) specified and/or provided by the Agency Contracting Officer in the solicitation package. All cost/price proposals should provide a cost summary by all cost elements, cross-referenced to supporting documentation. See Table No. (1.4).

1.5 The following information shall be included in this section, for the prime contractor and each proposed subcontractor:

- (a) A properly completed "Cost/Price Disclosure Certification."
- (a) Identification of any estimates, along with the rationale and methodology used to develop them, including judgmental factors used in projecting future costs, based on known data, and the timing, nature and extent of any material contingencies.
- (c) Disclosure of any other activities or likely events which could materially impact specific costs (i.e., existing large material and supply inventories, management/ownership changes, new technologies, collective bargaining agreements, etc.)
- (d) Disclosure of any and all awarded and pending contracts with the District of Columbia, including contract number(s), amount, type (fixed price, cost reimbursement, etc.), agency, and a brief description of services.
- (e) Source of approval and the latest date of approval of the offeror's Accounting system.

## **2. SUPPORTING COST DATA:**

2.1 The Offeror shall provide, for each cost element, a narrative description, in sufficient detail, to demonstrate price reasonableness, credibility and reliability. The Offeror shall provide its assumptions and methodologies used to estimate each cost element (significant item and quantity estimates, labor hour expenditure patterns and mix, etc.). The following information shall be included in this section:

- 2.1.1. The Offeror's total estimated costs plus its fee (if applicable) for providing all of the requirements of the RFP, as proposed in their technical proposal. Offerors should support their best estimates of all costs (direct, indirect, profit, etc.) to be incurred in the performance of the contract.
- 2.1.2. When proposing multiyear/option year pricing, the estimated proposed costs shall include a breakdown of all cost elements for the base year as well as each option/out-year. Labor, other direct costs, indirect costs and profit shall each be clearly identifiable. If different from the Defense Contract Auditing Agency (DCAA) or Department Of Labor (DOL) recommended rates, the Offeror shall provide a thorough explanation for the variation(s) of rates.
- 2.1.3. The Cost Summary Format (Table 1.4) provides a format for the Offeror to submit to the District a pricing proposal of estimated cost by line item, along with supporting documentation that is adequately cross-referenced and suitable for cost realism analysis. A cost-element breakdown shall be attached for each proposed line item and must reflect any other specific requirements established by the Contracting Officer. When more than one contract line item is proposed, a summary of the total amount covering all line items must be furnished for each cost element.
- 2.1.4. If the Offeror has an agreement with a federal, state, or municipal government agency on the use of a Forward Pricing Rates Agreement (FPRA) or other rate agreement for labor, fringe benefits, overhead and/or general and administrative expense, the Offeror must identify the agreement, provide a copy and describe its nature, terms and duration.

## **3. SPECIFIC COST ELEMENTS:**

A well-supported cost/price proposal reduces the effort needed for review and facilitates informed negotiations. The following are the minimum criteria that constitute an acceptable cost/price proposal:

- 3.1 **Direct labor:** A task-phased annual breakdown of labor rates and labor hours by category or skill level, including the basis for the rates and hours estimated (i.e., payroll registers, wage determinations, collective bargaining agreements, historical experience, engineering estimates, etc.).
  - 3.1.1 The Offeror shall use the following Table No. (3.1.1) to exhibit its total labor hours by prime contractor and subcontractor(s). A separate table should be completed for each year (base and out-years).

**Table (3.1.1)**  
**Annual Labor Summary**

<b>Item</b>	<b>Task 1</b>	<b>Task 2</b>	<b>Task 3</b>	<b>Task 4</b>	<b>Base Year Total</b>
<u>Labor Category, Prime</u> <ul style="list-style-type: none"> <li>• Employee A</li> <li>• Employee B</li> <li>• Employee C</li> </ul>					
<u>Labor Category, Sub.</u> <ul style="list-style-type: none"> <li>• Employee D</li> <li>• Employee E</li> <li>• Employee F</li> </ul>					
<u>Labor Category, Consultant</u> <ul style="list-style-type: none"> <li>• Employee G</li> <li>• Employee H</li> </ul>					
Total Labor Hours by Task					

Note: Do not include wage rates in this table

- 3.1.2 A standard of 40 hours/week, 1,920 hours/year is recommended. If another standard is used, it should be precisely defined. Any deviation from the above labor-hour projection without substantiation may form the basis to reject the response to the RFP. The proposed labor-hours shall include prime contractor, subcontractor and consultant hours.
- 3.1.3 The Offeror shall also submit Table No. (3.1.4.b), depicting the labor mix percentages as proposed for the base year as well as the out-years and should match the personnel experience requirements specified in the RFP, Section **(to be referenced by the Contract Specialist)**, under Personnel Experience. All of the RFP Key positions must be included within the Senior Staff categories. To provide a better understanding of this format, Table No. (3.1.4.a) is provided as an example.
- 3.1.4 The Offeror shall describe how the hourly direct labor rate was derived and indicate whether these rates are subject to any collective bargaining agreement(s), the Service Contract Act (SCA), Davis-Bacon, or any other special agreement which controls the labor rate indicated. When proposing price escalation for option/out-years, the Offerors must follow instructions provided under Economic Price Adjustments, Section H, of this RFP.

This includes all other direct costs associated with performance of the contract. Travel costs shall be in accordance with GSA Joint Travel Regulations for airfare, hotel, and per diem allowances. All other direct costs should be specifically identified and explained. (Not all cost elements in the table above will apply to each solicitation. The above table should be tailored to the requirements of the RFP.)

- 3.4 **Subcontracting Costs:** Each subcontract must be addressed separately. For any subcontract exceeding \$25,000 the cost/price proposal must show the names, quantities, prices, deliverables, basis for selection, and degree of competition used in the selection process. The subcontractor's cost or pricing data should be included along with the prime Offeror's proposal.
